

Req ID	Description
R1	The user shall be able to view all player character sheets in one space for easy access.
R2	The user shall be able to quickly view the contents of Dungeons and Dragons manual to ensure rules and regulations.
R3	The user shall be able to create a map from scratch, generate from a seed, or upload a custom map from the internet.
R4	The user shall be able to create character sheets and npc's within the bounds of the program.
R5	The user shall be able to chat in character and out of character.

Parts of Usability	Description
Efficiency/Performance	The program will keep track of enemies including hp, mana, and miscellaneous stats.
Ease of Learning	The program will have an expandable reference manual database
Understandability	The program will differentiate players from the Dungeon Master.
User Satisfaction	The program will have multiple "rooms" for individual games: meaning different DnD campaigns.
Ease of Remembering/Recall	The program will keep track of player turns.
